Executive Chef/Food Services Manager

NEW BOUTIQUE, STATE OF THE ART RESIDENTIAL AGED CARE FACILITY

- **Opportunity to Grow with a Boutique Aged Care Provider**
- **State of the Art Facility**
- **Competitive Salary**

Cranbrook Care is a premier provider of aged care in Australia. We strive for exceptional **wellbeing** for our residents, physical and emotional **security** and **excellence** in both our built environment and staff service.

An exciting opportunity exists to join the team of a newly built Residential Aged Care facility, in Sydney's lower north shore.

We are currently seeking an Executive Chef experienced and committed to delivering an exceptional level of customer service with demonstrated knowledge and skills in contemporary food services. Reporting to the Director of Care Services, you will be responsible for all food and allied services within the facility, and provide leadership and supervision to all members of the food services team. You will be responsive to the changes in dietary requirements of residents and ensure residents receive an unsurpassed level of nutrition, specific to their individualised care requirements.

You will most likely come from an aged care, hospital or hospitality background and be familiar with the nature of volume of food provision necessary for an Aged Care Facility. You will also be familiar with all regulatory compliance associated with residential aged care facilities and commercial kitchens, and have strong computer literacy skills.
